

FINAL ANNOUNCEMENT

DR. S.D. BHARDWAJ (C.S.E 2010)

LIVER UPDATE

2010

Date: 19th September 2010

Venue: J.B. Auditorium,
Ahmedabad Management Association,
IIM Road, Ahmedabad

Association of
Ahmedabad Surgeons

Dear friends and colleagues,

It is our great honor to invite and welcome you to attend the CME on liver surgery which is to be held in Ahmedabad on Sunday, September 19, 2010. This event is organized by Gujarat Liver and Digestive surgery Clinic (GLDC) in association with Ahmedabad Association of Surgeons (AAS) and HCG Medisurge Hospitals.

We hope to make this event successful primarily for the benefit of the post graduates and the practicing general surgeons. This CME is a dedicated meeting for "General Surgeons" to know the right indications and the safety profile of these advanced procedures. The scientific program would highlight the important aspects of surgical techniques and management for the different liver pathologies including liver trauma. The whole seminar will consist of lectures and master videos making it thoroughly interactive.

We are indeed fortunate to have eminent national experts renowned for their work in the field of liver surgery invited for this CME. Enough time has been made available for discussions and interactions. This meeting will provide an open forum for the exchange of new information and ideas with reference to liver surgery.

The event venue is J.B. Auditorium, Ahmedabad Management Association, Ahmedabad which is located in the heart of the city. I am sure with active participation of members and efforts of our renowned faculty this meeting will also fulfill the expectations. I, on behalf of the organizing committee, welcome you all to Ahmedabad on September 19, 2010.

With warm regards,

Dr Hitesh Chavda
Organizing Secretary
