(Liver Unit)

Dear Friends and Colleagues,

It is our great honor to invite and welcome you to attend the CME on liver surgery which is to be held in Ahmedabad on Sunday, August 30, 2009.

The scientific program would highlight the important aspects of surgical techniques and management for the different liver pathologies including liver cancer treatment. A special session will also provide insights into Liver Transplantation and its present scenario in India. The whole seminar will consist of lectures and master videos making it thoroughly interactive.

We have eminent national experts in the field of liver surgery invited for this CME. Enough time has been made available for discussions and interactions. This meeting will provide an open forum for the exchange of new information and ideas with reference to liver surgery. This multidisciplinary meeting is not only for general surgeons and surgical gastroenterologist, but also for the medical gastroenterologist/ hepatologist, oncologist, oncosurgeons and postgraduate students.

We look forward to more such high –level medical exchanges in the future, in the field of liver surgery and transplantation, and work towards achieving best clinical outcome for these patients whose lives have been entrusted to our care. We anticipate your continued cooperation and active participation in the forthcoming CME. We look forward to welcome you in Ahmedabad on August 30, 2009.

With warm regards,

Dr Hitesh Chavda
Organizing Secretary
