Hospitals
Because life matters

Invitation

Dear friends and colleagues,

It is my great pleasure and honor to invite you to attend our 6th conference on Liver Surgery which is to be held in Ahmedabad on 7th September 2014. The theme of this meeting is "Techniques of Liver Resection - Updates and Challenges". This event is organized by Gujarat Liver and Digestive surgery Clinic (GLDC), Gujarat Liver Cancer Clinic (GLCC), Association of Ahmedabad Surgeons in association with Sterling Hospitals.

Hepatic resection is appropriate treatment for a variety of benign and primary or secondary malignant hepatic lesions. In appropriate patients with malignant disease, resection generally offers the best opportunity for long-term survival or cure. New understanding in liver anatomy, improved perioperative care, anesthesia techniques, and technological advances has improved this aspect of patient care. A rapid, recent evolution of the laparoscopic approach for liver resection has been observed mostly due to major technological improvements in laparoscopic instruments and increased hemostatic performance of different vessel-sealing devices. With improved techniques, patients previously considered unresectable have an opportunity to undergo curative surgery.

Liver Update 2014 is aimed at surgeons having a special interest in liver surgery. The scientific program would highlight the important aspects of surgical techniques and various novel therapeutic options for the different liver malignancies. A special session shall also provide insights into laparoscopic liver surgery, robotic liver resection and techniques of donor hepatectomy in living donor liver transplantation. The meeting will consist of lectures, master videos and panel discussions involving world-renowned national authorities and experts. Liver Update 2014 promises to continue the tradition of excellence and stimulate the interest of its participants.

On behalf of the organizing committee I extend our warmest invitation to attend Liver Update 2014. I am sure that you will have an enjoyable time both professionally and socially.

We look forward to welcoming you to Ahmedabad in September 2014.

With warm regards,

A handwritten signature in black ink, appearing to read "Hitesh Chavda".

Dr Hitesh Chavda
Organizing Secretary
Liver Update 2014

Preliminary Scientific Program

September 7, 2014

8:15am - 8:45am - Breakfast and Registration

Welcome and Introduction

Session 1:

- Applied liver anatomy for resection
- Image guidance for surgical planning
- Instruments and modern gadgets

Session 2:

- Patient selection and peri-operative care
- Anesthesia management for major hepatic resection
- Intraoperative ultrasonography and ultrasound guided liver surgery

Session 3:

- Glissonian pedicle approach
- Hanging maneuver and anterior approach
- Techniques of parenchymal transaction

Session 4:

- Vascular occlusion techniques during liver resection
- Technique of donor hepatectomy in living donor liver transplantation
- Role of haemostatic agents in liver surgery

Session 5:

- Technique of caudate lobe (segment I) resection
- Vascular resection and reconstruction during liver resection
- Technique of liver resection for perihilar cholangiocarcinoma

Session 6:

- Instrumentation, trocars placement and basic maneuvers in laparoscopic liver resection
- Technique of laparoscopic liver resection
- Robotic hepatectomy

Session 7: Master video session

- Central hepatectomy
- Laparoscopic left lateral sectionectomy
- Donor hepatectomy in LDLT
- Segment V resection for HCC
- Laparoscopic right hepatectomy
- Right posterior sectionectomy
- Technique of hanging maneuver
- Left hepatectomy with caudate lobectomy for hilar cholangiocarcinoma

4:00pm - 4:30pm - Concluding discussion and end of the meeting

Invited Speakers

Dr P Senthilnathan

Surgical gastroenterologist and HPB surgeon
GEM Hospital and Research Centre
Coimbatore

Dr A S Soin

Liver transplant and HPB surgeon
Medanta - The Medicity
Gurgaon

Dr Ganesh Nagarajan

HPB, GI Oncology and liver transplant surgeon
PD Hinduja National Hospital
Mumbai

Dr Sanjay Govil

Surgical gastroenterologist, HPB and
liver transplant surgeon
Global Hospital
Chennai

Patron

Mr Girish Patel

Organizing Committee

Organizing Secretary

Dr Hitesh Chavda

Joint Organizing Secretary

Dr Amit Shah
Dr Vismit Joshipura

Association of A'bad Surgeons

Dr Kaushik Gajjar	President
Dr Kirit Parmar	Hon. Secretary
Dr Rajan Patel	Imm Past President
Dr Apurva Shah	Vice President
Dr Viral Shah	Jt. Secretary
Dr Ravi Gadani	Treasurer

Advisory Board

Dr Mahendra Bhavsar

Dr Pankaj Modi

Dr Kaushik Shah

Dr Shailesh Shah

Dr Bharat Panchal

Dr Mahendra Narwaria

Dr Asit Patel

Dr Shailendra Kumar Gupta

Mr Arpit Patel

Dr G H Rathod

Dr Sudhanshu Patwari

Dr Nilay Mehta

Dr Manish Bhatnagar

Dr Sanjay Rajput

Dr Vineet Chauhan

Dr Somesh Chandra

Mr Rajiv Sharma

Dr Sanjiv Haribhakti

Dr Hemant Leuva

Dr Manoranjan Kushwaha

Dr Chirag Desai

Dr Rupesh Mehta

Dr Nikhil Lala
